Susanna Carnation and Susanna Custodian 6th, typical productions of Susanna Farms. Both were sired by Leveldale Custodian. Together they won first prize in the class for calves at the 1955 Illinois State Fair. The former is now a valuable brood cow in the Susanna Herd. The latter now heads the herd of George H. Thomas, Alburnett, Iowa.

Our First Shorthorn Sale . . .

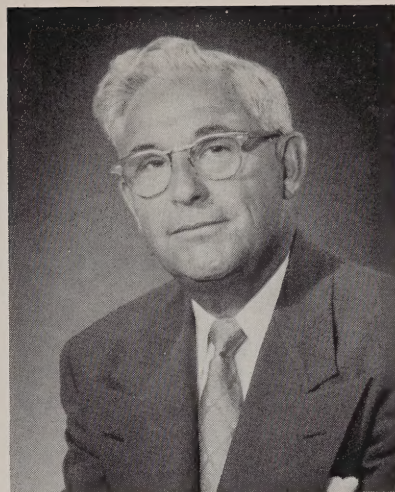

We are looking forward with great pleasure to greeting you at Susanna Farms. Although we have waited long before holding our first sale, there has been a purpose in so doing. The Susanna Herd was established as a breeding nursery and any semblance of speculation was ruled out at the very beginning. We have had the feeling that there is little to be gained through a buying and selling program and that proof of our success could only come through exhibiting and selling animals of our own breeding.

Because we have enjoyed a healthy private treaty trade over the years, it has taken a long time to reach the point of an auction sale made up almost entirely of Susanna productions. We believe we are ready — at least we feel that the animals we are offering are truly representative of the Susanna breeding program.

We do not intend to praise our own cattle except to say that we are proud of them. The offering will include nearly all members of our 1955-1956 and 1957 show herds. These animals have met the best produced by others and have given a good account of themselves. If you like them, we will be very happy. And if the sale is a success, it will be the result of a constructive breeding program and an owner-manager relationship that has been a source of great pleasure.

It is our hope that this sale will bring all of our old friends and many new ones to Susanna Farms. We hope you will arrive on the day prior to the sale for a leisurely inspection and that you will join us for a buffet supper on the evening before the sale. We will look forward with pleasure to your visit.

Monday, October 7 — Draft Sale of Susanna Shorthorns, at Susanna Farms, Lake Villa, Illinois. S. J. O'Bryan, Owner. Paul Potter, Manager. (Phone Lake Villa, Illinois — Elliott 6-7729.)

Tuesday, October 8 — Complete Dispersion of the Ringwell Shorthorn Herd, at Ringwell Farms, Ringwood, Illinois. James C. Ewell, Owner. Wm. Cruickshank, Manager. (Phone Wonder Lake, Illinois 5204).

A total of 100 lots of the best Shorthorns of the entire year will be offered in these two sales. The two farms are only 12 miles apart. Both sales are under the management of **HAL LONGLEY**, 16 S. Locust St., Aurora, Illinois. (Phone Aurora 6-8511.) Plenty of excellent motels in the Fox Lake area midway between Susanna and Ringwell Farms. We will be glad to arrange accommodations for you. Simply call Paul Potter or Hal Longley (phones given above).

Also — please note — Two important Polled Shorthorn sales are to be held later in this same week. The complete dispersion of the Carl M. Johnson Herd will be held at Carona Farms, DeKalb, Illinois, on Friday, October 11th. The Annual Fall Show and Sale of the Illinois Polled Shorthorn Association will be held at Normal, Illinois, on October 12th. Visitors from a distance will find scores of interesting herds to visit on the two intervening days between the Shorthorn sales and the Polled Shorthorn sales.

Here are the six youngest heifers in the sale. From left to right they are: Susanna's Dorothy 18th (Lot 25); Susanna's Princess (Lot 26); Susanna's Mayflower 23rd (Lot 27); Susanna's Rosewood 19th (Lot 31); Susanna's Missie 5th (Lot 28) and Susanna's Carnation 2nd (Lot 29). Four are by Leveldale Custodian and two by Susanna's Basis.

An Exceptional Sale Offering

I wish there were more herds like the Susanna Herd, more owners like S. J. O'Bryan and more managers like Paul Potter. When histories of the breed are written, the owners of this herd will rate a place high on the list of constructive breeders. They have waited to hold their first auction sale until they had proved to themselves that the Susanna breeding program is right and until they could prove through successive years of showing that Susanna productions are capable of winning in hottest competition.

The proof will be there for all to see on sale day. The nine bulls, blue and purple winners, are certain to work improvement wherever they go and are equally certain to bring the herds of their new owners into the limelight. A study of this catalog will reveal that the grand champion bull of the 1957 Denver Show and the junior champion bull of the 1956 International Show as well as first prize winning bulls at important State Fairs will sell in this sale.

Although this will be an exceptional place to buy top herd bulls, it will also be an exceptional place to buy choice females. I am immensely pleased with the type, character and quality of each female in this offering and many of these also will go to their new owners backed by enviable show records. The sale will feature the get and service of Leveldale Custodian and Susanna's Basis, two bulls that have certainly proved themselves among the top sires of the breed.

A great deal depends on what you buy and from whom you buy. If you are interested in cattle of most approved type, backed by very strong pedigrees, and offered by men of highest character, this will be an excellent sale for you to attend.

LEVELDALE CUSTODIAN . . . Famous Susanna Sire

Leveldale Custodian was purchased for Susanna Farms at \$19,000, the top of the 1952 Leveldale sale. Grand champion at the Illinois, Indiana, and Kentucky State Fairs and reserve champion at the Iowa State Fair, Eastern National, and the International, he had more admirers than any bull ever shown by Leveldale Farms. He is out of the best female ever owned by Leveldale in the opinion of Les Mathers. **Leveldale Crocus**, exhibited 18 times as a calf and yearling, and champion or reserve wherever shown. She had everything — type, quality, character and style. Leveldale Custodian has inherited all of the characteristics of his famous ancestors and has passed them on to his calves. The sire of Custodian is Aldie Apex the many times champion son of Chapelton Baronet.

LEVELDALE CROCUS . . . His Famous Dam

Since the accompanying success story of Leveldale Custodian was written, we have had the great misfortune to lose this valuable sire. Although he has accomplished much for us and owes us nothing, he was still comparatively young and his passing is a great loss. Approximately twenty cows are still to calve to his service and we have retained for herd use a full brother to Leveldale Custodian 10th and 20th (Lots 1 and 3). Sixteen daughters of Leveldale Custodian will be sold in this sale. These will be the last that we can afford to offer.

Success Story . . .

The story of Leveldale Custodian is certainly a success story. His sire, Aldie Apex, was reserve Grand Champion bull at the 1950 National Show at Memphis, and sold in the Leveldale Sale to Bilmar Farms, Grand Blanc, Michigan. His breeding career was cut short by injury, but he left a few grand females in that herd that are among their best breeding females. His dam was the great show cow, Leveldale Crocus, that was either champion or reserve champion at all the major shows in the country for 1949 and 1950, including the International. Custodian himself was Grand Champion bull at the 1952 Illinois, Indiana, and Kentucky State Fairs, and Reserve Grand Champion bull at the Iowa State Fair, the Eastern National and the International. He topped the 1952 Leveldale Sale at \$19,000, which still stands as a record for an American bred bull sold at auction in modern times.

From his first calf crop, one son, Susanna's Custodian 4th, was Reserve Grand Champion bull at the 1955 Illinois State Fair, Champion bull at the 1955 International Congress Sale, 2nd prize junior yearling bull in the open show, and sold to the Nelson Farms herd at Geneseo, Illinois, where his get looks very impressive. Another son, Susanna's Custodian 5th, was Grand Champion bull at the 1955 Wisconsin State Fair, and sold to Carona Farms, DeKalb, Illinois. A daughter, Susanna's Carnation, was Reserve Grand Champion fe-

male at the 1955 Illinois State Fair, and his get was 1st at both the Illinois and Wisconsin State Fairs, and 5th at the International. Three steer calves, sold to club boys in Illinois, stood 1-2-3 in the summer yearling class in the junior show at the 1955 International.

In his second calf crop, a daughter, Susanna's Princess Royal 2nd, was the top female of the 1956 Marellbar Invitational sale at \$3,000, and went to Myrtle Lake Farms, Winterhaven, Florida. Four heifers by Custodian averaged \$1,750, for the highest average in the sale. One son, Susanna's Custodian 10th, was undefeated bull of the year in the junior yearling class and capped off his record by winning junior championship at the 1956 International and Grand Championship at the 1957 Denver Show. The get of Leveldale Custodian was 2nd at Illinois, and 1st at Wisconsin, Iowa, and the 1957 Denver show.

Leveldale Custodian is the modern type Shorthorn bull, leaving calves with great thickness and bone, and an easy fleshing ability that makes them highly desirable in the beef cattle business. There are 6 sons, 16 daughters, and 6 adult cows bred to him in this sale. With several young cows by him in the herd, we are giving Shorthorn breeders everywhere the opportunity to purchase the get of one of the breed's greatest sires.

SUSANNA'S BASIS — This good red son of Leveldale Basis was purchased in dam with Leveldale Rothes Queen 2nd at the 1952 Leveldale Sale for \$5,000, and was an outstanding calf from birth. At just 60 days of age, we were given an opportunity to get most of our investment back, but declined the offer. He has proved a great breeding bull. His first daughter was the 3rd high selling female in the 1956 Marellbar Invitational Sale, at \$1,700, and now is a member of the Lynnwood herd, Carmel, Indiana. There are two very good bulls, and six daughters of Basis in this sale, and we have retained an excellent son, Susanna's Basis 4th, for herd service. The 1957 calves by Basis are very outstanding, and include the best group of young bulls ever dropped on Susanna Farms. This bull was bred right to be a sire, and has fulfilled his heritage.

SUSANNA'S BASIS 4TH — This red, late junior yearling son of Susanna's Basis, out of the first daughter of Leveldale Custodian, has been retained for junior herd bull duty at Susanna Farms. We have liked this calf from birth. Although orphaned at an early age, he has developed as we had expected, and has taken the eye of all cattlemen who have seen him. He has a great head, short rugged legs, and a deep bulging quarter. He has the look and walk of a stock bull, and descends from a family of cattle that have been good for generations. His dam stood fourth in the senior heifer class at the International in 1954. His granddam is the beautiful red cow in our herd, Britomac Golden Drop 2nd, and she was by Air Raid Marshall, a dark roan son of Naemoor Marshall that made a great record for Carl McKenzie of Armington, Illinois. The next dam, Crichton Golden Drop 9th, was the top of the Golden Bull dispersal several years ago, and she was by Leopold. We have used this calf heavily, hence he is not in top show condition, but we believe in him as a stock bull. There are several heifers in this sale mated to him, and we have several of our own cows in calf to him also. We exhibited Susanna's Basis 4th in his working clothes at the 1957 Chicagoland Shorthorn Show and he stood second in the junior yearling class, losing only to his stallmate Susanna's Custodian 21st, Lot 4 in this sale.

Are You Looking For

From left to right they are: Susanna Custodian 10th (Lot 1); Susanna's Custodian 14th (Lot 2); Susanna's Custodian 20th (Lot 3); Susanna's Custodian 21st (Lot 4); Susanna's Basis 4th, junior herd bull; Susanna Basis 6th (Lot 5); Susanna Basis 7th (Lot 6); and Susanna's Forward March (Lot 7).

a New Herd Bull?

*If so, this sale should be
on your "must attend" list!*

Scores of prominent breeders are looking for herd bulls. All are seeking the "safe" kind, the kind that are certain to breed true to type and that will bring extra prestige and extra profits to their herds.

What greater assurance of safety can be found than Susanna is offering in this sale? Eight of the sale bulls are pictured above. They are sons of Leveldale Custodian and Susanna's Basis. Leveldale Custodian was produced from the mating of two famous champions, Aldie Apex and Leveldale Crocus. Susanna's Basis was produced from the mating of Leveldale Rothes Queen 2nd, \$5,000 daughter of Calrossie Good News, with the \$35,000 Leveldale Basis, sire of more champions than any other living bull.

Are you looking for a herd bull that will carry you safely to the top? You will find him in this sale!

Susanna's Custodian 10th, 1956 International junior champion and 1957 Denver grand champion. He is Lot 1 in this sale. This picture shows him as he looks today and as you will see him on sale day.

He will bring fame to his new owner . . .

SUSANNA CUSTODIAN 10TH — The eyes of the Shorthorn industry will be focused on the new owner of this great young proven sire. He has a great sire, a great dam, is himself a show bull, and has calves on the ground to prove his breeding ability. He was the undefeated junior yearling bull of the 1956-57 show season, winning Grand Championship at the 1956 Wisconsin State Fair, the Chicagoland Shorthorn Show, and capping off his record with the Grand Championship at the 1957 Denver show. He was junior champion at the 1956 International, and reserve junior champion at the 1956 Illinois and Iowa State Fairs. He promises to have another great season at the 1957 shows. His sire, Leveldale Custodian, was the bull of the year in 1952, and was the top selling bull of the year at \$19,000. He had been grand champion bull at the Illinois, Indiana, and Kentucky state fairs that year, and Reserve Grand Champion at the Eastern National and International. His dam was 2nd prize junior heifer calf at the 1951 International, and was purchased in the 1952 Leveldale sale at the top price of \$5,000. She could easily rank as the top producing Shorthorn cow in America at the present time. Her first calf was our herd sire, Susanna's Basis, by Leveldale Basis, and his calves on the farm and in the sale prove him to be a great breeding bull. Her next calf was a heifer, Susanna's Rothes Queen, a valued member of our breeding herd. Then came Custodian 10th, and following him was Custodian 20th, Lot 3 in this sale. On the farm now is another January son, Custodian 25th, and he shows great promise. There are very few bulls with his record and breeding, and they are almost never offered for sale. He has a great lineup of bulls and females in his pedigree, with Leveldale Custodian, Aldie Apex, Chapelton Baronet, Kirkton Eureka on his sire's side, and Calrossie Good News, Kirkton Baronet and Chapelton Royalist on the dam's side. Leveldale Crocus was the greatest Shorthorn female of her time, and Orchard Crocus 3d is the dam of Leveldale Critic, 1955 International Supreme Champion bull. Saltoun Rothes Queen 7th sold in the 1951 Leveldale Sale at the second top price of \$3,800, where she went to Lynnwood Farm, and has in turn there produced a great group of females, including the top of the 1955 International Polled Sale, and the great heifer presented to Louisiana State University at the 1957 Polled Shorthorn Congress. This bull has the head, character, thickness, and bone we need on all Shorthorn cattle, and it destined to put his new owner on top in the Shorthorn business.

SUSANNA'S CUSTODIAN 14TH — This dark red roan bull has found many friends wherever we have presented him. He was first in class at the 1956 Illinois State Fair, reserve Grand Champion to Custodian 10th at the 1956 Wisconsin State Fair, and went on to win his class at the 1957 Denver Show. He was a member of our 1st prize two bull and three bull group at Denver, and in our winning get all season. This bull has tremendous bone and substance, with an exceptionally strong forearm. He is smooth and mellow, and bulls of this type could advance commercial Shorthorns 25 years. His dam is a very good headed daughter of imported Burnton Verdict by Calrossie Victorious, and his granddam was one of the top cows in an Edellyn sale, and by Edellyn Royal Leader 23d. A full sister to this bull was reserve champion female at the 1956 Illinois State Sale, selling to Mississippi. He has a maternal brother in this sale (Lot 6), that will be shown this season as a senior bull calf. If you want bone and substance in your calves, this bull will certainly do the job. We have a few females mated to the 14th, and may have a calf on the ground by sale day.

SUSANNA'S CUSTODIAN 20TH — A dark, red roan full brother to the 10th, with a great head, and short, rugged legs. This is one of the thickest bulls for his size we have ever produced, and is a real chunk. Many good judges believe this to be our best bull, and he's bred right to be a breeding bull. Refer to the footnotes of Custodian 10th for a pedigree explanation and be sure to see his full brother that we are retaining. Without special fitting we showed this bull at the Chicagoland Show on August 3rd and he won third in the junior yearling class.

(Member of the 1957 Show Herd)

The owner and manager of this establishment think a lot about the future of the Susanna herd. That is why they put these five beautiful daughters of Leveldale Custodian back into the herd. Aren't they typy, deep and thick? The future of Susanna is assured with this kind.

Against a background of downtown skyscrapers, Paul Potter, manager of Susanna, leads Susanna's Custodian 14th (Lot 2) across the parking lot to the Columbia Broadcasting System studio building in Chicago where he was viewed by millions on George Menard's farm program over WBBM TV.

Paul Potter unloads Susanna's Custodian 14th at the CBS Studios in Chicago.

SUSANNA'S CUSTODIAN 21ST — This dark red, deep bodied, rugged calf stood 2nd in the junior bull calf class at Denver, and was in our winning three bull group and get of sire. His dam, a beautiful young cow by Imported Morphie Elect, Kenneth Kettenhofen's great sire, has a very promising summer heifer calf this year. His granddam produced the top selling heifer in the 1956 Marelbar Invitational sale, going to Myrtle Lake Farms, Winterhaven, Florida, for \$3,000. A maternal sister to his dam sells in this sale as Lot 14. This good young bull is from a great producing family, and is bred to reproduce his kind. **FLASH!** At the strong Chicagoland Show, Susanna's Custodian 21st was awarded the grand championship under the judging of Clinton K. SUSANNA'S FORWARD MARCH — All the best of Scotland wrapped up in this calf, and he's the kind of bull to go along with it. Thick, deep, with a lot of bone, strong hind legs and rear quarters, nice dark roan, and a real bull head. This calf was purchased with dam at the top price of the 1956 Gardhouse sale and his sire is proving to be one of the best bulls ever used in that herd. Calrossie Forward March is a full brother to Calrossie Ocean Wave, top bull of the Maclyn Plantation dispersal at \$6,000, and now in service in the Austin Davis herd in Florida. Phopachy Queen Jessica, his dam, even though a thin cow, has the breediness and character a good bull's mother needs to have. She is by Kirkton Grandee by Kirkton Baronet, thus giving the calf the Calrossie Welcome — Kirkton Baronet cross that has been so successful both in Scotland and in this country. This is the same Queen of Roths cow family as our Leveldale Roths Queen 2nd, and she has produced more good cattle than any cow in our herd.

We are proud to have been able to supply winning steer calves to junior club members and proud also that many good Susanna-bred bulls have been used successfully in strong commercial herds. The steer end of the business is important to us. Besides those pictured on these pages, Susanna-bred bulls are in service at the University of Illinois and the University of Wisconsin.

Susanna is proud of her steer winnings. Calves are supplied each year to worthy club winners. The three steers shown above, all bred at Susanna and all sired by Leveldale Custodian, stood first, second and third in the summer yearling class at the junior show of the 1955 International Livestock Exposition. They were fed and exhibited respectively by Joanne Inness, Galesburg, Illinois; E. Hiltabrand, Ottawa, Illinois, and Dean Cox, Alvin, Illinois.

Annasus, the steer shown in this picture, was named grand champion over all breeds at the 1957 Lake County Fair. He is by Leveldale Custodian 5th, stock bull now owned by Carona Farms. The young lady in the picture is Dianne Potter, daughter of the manager of Susanna Farms.

George Inness, Galesburg, Illinois, is shown with his champion steer at the 1956 Houston Fat Stock Show. This impressive white steer was sired by Leveldale Custodian.

Inquiries About Cattle Listed — The Sale Manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois.

Announcements on Sale Day — Although all information contained in this catalog is correct to the best of our knowledge at the time of printing, we must reserve the right to make announcements of correction. SUSANNA AUGUSTA ANN — This was the summeryearling show heifer of 1956, and she will be our senior yearling for 1957. She stood 2nd at Illinois, 2nd at Wisconsin, 1st and Reserve Grand Champion at Iowa, 2nd at Denver in 1956-57, and with Custodian 10th won the pair of yearlings at Wisconsin, Iowa, and Denver. This is an exceptionally thick, deep heifer, carrying the smoothest fleshing of any female we have ever produced. She is by Leveldale Custodian, and out of a granddaughter of both Cruggleton Elvin and Pittodrie Landmark. Her dam is a beautiful young cow, and has possibly our best 1957 heifer calf at foot. We also have a full sister to her dam, and only because we have many of this family can we part with this kind. Best of all, she is well forward in calf to Susanna's Basis 4th, the great son of Susanna's Basis we are retaining for herd duty. Bred April 16th.

(Member of the 1957 Show Herd)

Two choice heifers in this sale are out of these two cows. At the left is Don Hill Myrtle, dam of Lot 23. At the right is Britomac Gold Drop 2nd, dam of Lot 11 and granddam of our junior herd bull, Susanna's Basis 4th.

SUSANNA ROSEWOOD 15TH — This dark red daughter of Leveldale Custodian descends from the old Cluny Rosewood cow that was imported by Edellyn Farms carrying Edellyn Command. We have several females in the herd from this family, and there are four females in the sale descending from this old Cluny cow. Beaufort Brigand, the sire of her dam, was used very successfully here, and was a full brother to Beaufort Augusta 3rd, the dam of Corrimony Golden Sovereign and of Bapton Aurora, sire of the Supreme Champion bull at Perth, 1957. She is also the granddam of Bapton Majestic, Kickapoo Farms new junior herd sire. Rosewood 15th should calve by sale day to Susanna's Custodian 10th, the Lot 1 bull in this sale.

(Left): These Susanna productions won first prize in the pair of calves class at the Illinois, Iowa and Wisconsin State Fairs in 1956. Both will sell in this sale. They are Lots 13 and 2, respectively.

(Right): Susanna's Bessie 2nd, Lot 13 in this sale. She won first prize as a junior heifer calf at the 1956 Illinois, Iowa and Wisconsin State Fairs and was a member of the winning junior get-of-sire at these shows.

SUSANNA MAYFLOWER 19TH — This young Custodian cow is the dam of Lot 27 in this sale, and is only being offered because we have six cows of this family in our herd, including this cow's dam, maternal sister, and full sister. This Mayflower family has produced, among others, Susanna's Custodian 5th, grand champion bull 1955 Wisconsin State Fair, Susanna's Basis 6th, Lot 5 in this sale, and the first prize steer in the summer yearling class 1955 International. Proof of this young cow's breeding ability can be found in her daughter, and she is bred to Susanna's Basis 4th. Bred April 2.

Everett Mitchell, Farm Director of Chicago television station WNBQ, interviews Susanna Farms' herdsman, Jerry Golden, during a program featuring the Chicagoland sales. The bull is Susanna's Basis 4th, 1955 Congress champion, now owned by Nelson Farms, Geneseo, Illinois. Paul Potter, Jr., son of Susanna's herd manager, also appeared on the program and is shown in this picture.

From the famous Cluny Pauline family, her dam is the best daughter of Glastullich Spearhead. Her granddam is still working in our herd, and has produced more good cattle than any cow we have. Her first three calves were bulls, and were sold as calves off their dam for an average of \$1,000. She produced Susanna Pauline 2nd by Beaufort Brigand that in turn produced the \$3,300 Clear Creek Royal Leader for Marion Woody, and has bred very well for John Shuman, Deertail, Colorado. David Graham has a full sister to Susanna Pauline 5th in his great herd, and she produced the top bull in his last sale. You'll like this heifer, and her pedigree insures breeding success.

SUSANNA DOROTHY 18TH — This heifer is a maternal sister to the dam of "Annasus" our great summer yearling show steer, and her pedigree is backed by two good imported sires, Cruggleton Allardice and Beaufort Brigand. We couldn't decide for a long time whether to show this heifer or Susanna's Pauline 7th, and still aren't sure we made the proper choice. This young open heifer will be ready soon to breed to your own top bull.

SUSANNA PRINCESS — By Custodian out of a Cruggleton Allardice daughter of the 1947 International Grand Champion female, Marellbar Princess 5th. This is the heaviest boned heifer in the sale, and although just a year old on sale day, shows promise of developing into a great cow. A full brother, Susanna's Custodian 16th, was one of the best bulls in the 1957 Illinois State Sale, and sold to George Saxton and Sons, Benton, Mississippi. This Princess Royal family has produced well for Marellbar, very well for us, and can do the same for you.

She is from our prolific Mayflower family, and her dam sells in this sale as Lot 18. This Basis-Custodian cross represents two of the very best bulls ever bred in America, Leveldale Basis and Leveldale Custodian. It's a cross that has certainly proved right at Susanna Farms.

SUSANNA CARNATION 2ND — This little heifer is too young for the early shows, but would make a great senior heifer calf for the later shows. Deep, thick, and level, with a very sweet head. Her dam is the great show heifer, Susanna Carnation, and her granddam is selling in this sale as Lot 38. These heifers of the Basis-Custodian cross would make a great group if all purchased together, and would give your bull a chance to prove himself.

Susanna Victoria 9th. This daughter of Susanna's Basis was purchased by Lynnwood Farms, Carmel, Indiana, at \$1,700. She is a full sister to Lot 30 in this sale.

Golden Queen's dam is sired by Saltoun Treasure by Chapelton Royalist, and her granddam was out of the imported cow, Golden Queen 3d. This heifer is out of one of Wisconsin's best bred herds, and she is a thick, deep, heavy-boned kind that will make a good cow.

This is the group that won first prize in the get-of-sire class at the 1955 Illinois and Wisconsin State Fairs, the only places exhibited. They were bred and owned by S. J. O'Bryan, Susanna Farms, Lake Villa, Illinois. All were sired by Leveldale Custodian. The dams of three of them will sell in this sale.

CUSTODIAN'S ROSEWOOD — A granddaughter of Leveldale Custodian from the good Otto Johnson herd. A maternal sister to this heifer was the top female in the Johnson consignment to the 1957 Vacationland sale.

These seven cows will sell in this sale and calves out of four of them are also listed in this sale as separate lots. From left to right they are: Millgate Carnation 4th (Lot 38); Strowan Nancy (Lot 35); Curtiss Candy M Princess (Lot 37); Dan Jean Missie (Lot 39); Rosebud A (Lot 34); Kickapoo Lancaster (Lot 36); and Susanna's Mayflower 19th (Lot 18).

(Right): The winning junior get-of-sire at the 1955 Illinois State Fair were these three offspring of Leveldale Custodian. The dams of two of them will sell in this sale.

Since the Susanna Herd is not large, it is difficult for us to find enough young cattle to fill the catalog. Consequently, we are dipping into our permanent herd and offering six young cows that have more than paid the bill for us. Each of these cows has produced more than she cost, and they have produced show calves for us. All are well along with calf, and their productions number among the best from our herd.

ROSEBUD A — Purchased in the Greenwood Sale in 1953 as a baby calf. Her first calf, a heifer, sold to Leon Martin, Avon, Illinois as a club heifer, and she was not defeated in class in seven showings on a strong county fair circuit in Central Illinois. Her second calf was a bull, Susanna's Custodian 19th, that was our junior bull calf on the 1956 summer fair circuit, and stood in third place at Illinois, Iowa, and Wisconsin. He later sold to Wayne Earp & Sons, Biggsville, Illinois. Her last calf is Susanna's Custodian 24th, Lot 8 in this sale, and our junior bull calf at this summer's fairs. Sells bred to Susanna's Basis and here is a great 2 in 1 bargain. Remember, Calrossie Sportsman, her sire, was the grandsire of PS Troubador, 1956 International Grand Champion Steer.

STROWAN NANCY — Purchased from the Dwight Griffith herd in 1953. Her dam was the second top female in the Strowan Dispersal in 1954, and now is an honored member of the Acadia Herd. Her sire, Cruggleton Nyren, has left some great calves in Ohio, and this all-imported pedigree would rank with the best. We are consenting to sell this cow only because we have her 1957 daughter to put in the herd after showing her this summer as our junior heifer calf. This young cow's first calf was sold as a club calf and stood second in the carcass competition at the International last year for Dean Cox, Alvin, Illinois. Her 1956 calf was the best club steer we sold last year, and is enjoying a very successful show season in Central Illinois for Leon Martin, Avon, Illinois. This young cow sells bred to Level-dale Custodian on June 10th. This calf should certainly more than pay the bill.

KICKAPOO LANCASTER — Purchased in 1952 from Mr. Stanley Harris. After losing her first calf, this great thick, deep cow produced the 1955 International Congress Champion bull, Susanna's Custodian 4th, now owned by Nelson Farms, Geneseo, Illinois. He was also the Reserve Grand Champion bull at the 1955 Illinois State Fair, and stood second to the Grand Champion bull at the 1955 International. Her next calf is a young cow in our herd, Susanna's Lancaster, and we lost her 1956 calf as a yearling. Her 1957 calf has been sold to Oklahoma, and she is re-bred to Leveledale Custodian. There aren't many cows of this kind, and they are seldom offered for sale. Only because we have her daughter by Leveledale Custodian in the herd do we feel that we can part with her. DAN-JEAN MISSIE — This grand-daughter of the famous imported Calrossie Supreme produced Susanna's Custodian 6th, first prize senior bull calf at the 1955 Illinois State Fair, and one of the top bulls in the 1956 Illinois State Sale, selling to George H. Thomas, Alburnett, Iowa. Her 1955 calf was 3rd in the carcass competition at the 1956 International for Marilyn Miller, Lodi, Wisconsin, and her 1956 heifer calf sells in this sale as Lot 28. This typy, short legged cow comes from one of the best herds in the state of Wisconsin, and she is re-bred to Leveldale Custodian since May 26.

No herd is ever any better than the men who tend the cattle. In that respect, Susanna Farms has been very fortunate. Jerry Golden has been with us full time, and is in charge of the young cattle. Larry Nelson has assisted during the past two summers while on vacation from Iowa State College. We believe we have two of the finest young men in the Shorthorn business in these boys. Susanna Farms owes its high percentage calf crop to Louis Bellanger, who has worked untiringly to keep the cow herd in top production.
